The Farmer's Daughters team have spent time exploring **Gippsland**, spending time with the **winemakers**, the **distillers**, and the **brewers**, and absorbing all that their passions have to offer (and plenty of tasting along the way!). Our menu is inspired by the stories that we have found there, the people that we have met and their unique produce.

Our wine selection features iconic Gippsland producers, some Gippsland names you should get to know, and a careful selection of our favourites from the rest of Australia and the world. We have selected our beers to represent the region. From our rooftop bar, our cocktails are inspired by native ingredients that we have found in our journeys through the region, each adjusted frequently to make the most of seasonal highlights.

Our menu takes you on an exploration across regional Victoria from the coast to the mountains – and everything in between.

Farmer's Daughters Vermouth 10

The exclusive recipe has been designed to celebrate native ingredients grown on Phillip Island. Aged in sweet vermouth hogsheads, it is a unique product with a Blanc de Noirs base infused with lemon scented tea-tree, strawberry gum, and native juniper. Fantastic as an aperitif and served as you like it.
